Subject-specific databases with specialized information on your research topics

Many different ways to search for databases

Big data privacy: Changing perception of privacy by Q. Tan and F. Pivot published in 2015 IEEE International Conference on Smart City/SocialCom/SustainCom (SmartCity), Chengdu, 2015, pp. 860-865.
TIME-OUT ACTIVITY 2

Which option do you click on to find your COURSE READINGS?
Citation / Reference Managers
Library Proxy Bookmarklet
Google Scholar Library Links
Subject Guides

Access from library portal
CITATION MANAGERS

Stores, organizes and manages your references and format them in different citation style for different assignments

libguides.nus.edu.sg/citationmanagers
A bookmark that inserts NUS Libraries proxy stem. After successful installation of this bookmarklet, you can access full-texts of journal articles that are subscribed by NUS Libraries by clicking on the bookmarklet on any page that requires you to pay.

libguides.nus.edu.sg/proxybookmarklet
Setting up of Google Scholar Library Links will enable you to see the “Find It! @NUS Libraries” button in the results page. This helps you to check if a full-text article is available online in NUS Libraries’ journal subscription.

libguides.nus.edu.sg/findit/googlescholarlinks
