# Patsnap

## Registration for First Time User

### About Patsnap

- Provides patent search and analytic services
- Updated weekly

### 1st Time User – To Register for user ID & Password

- First time users please sign in and register via NUS Libraries Portal or via LINC.
- Each new user can create their own personal PatSnap account using NUSNET ID and a new password of their choice to use all the subscribed features of the database
- Users may choose to sign up using other IDs of their choice to create a trial account that only allows search and view patents

### At NUS Libraries Portal, search for this database to register user account.

![Database Search](image.png)
OR, at LINC record screen, click on the link for registration
Click on “Sign Up”

Create user account using NUS Email Address

For security reason, **DO NOT** use your NUSNET password to create the personal PatSnap account

| Subject: [Patsnap] Please activate your account |

Dear _____ from NUS,

Thank you for signing up with PatSnap!

Click on the link below or copy it to your browser's address bar to complete the account activation. Please note that this link will expire in 24 hours.

http://passport.patsnap.com/active?params=9fxDnjyZflfI4Is9rWHstJpObnTyfhYyxKUPqA9oY4BoraS0-Py_UqJkF0AC1Ck70vfPL9P3NqflQENlviltoTESdrNBc8_XviVhdBg2VtEiwDLJ1aolDJNyyv8VG-ru5HPOR49zNE

When the activation of your account has been successfully completed, you can access PatSnaps features as an advanced user. If you encounter any problems or have suggestions as to how we can improve our product, please let us know at support@patsnap.com. We will respond within one business day.

- The PatSnap Team
Always remember to log in to Patsnap using the NUSNET login and Patsnap password you had created via NUS Libraries Portal or via LINC.
