

## How do I find the info I need?

**Caught in a web of information overload?  
Come and attend our library orientation  
to save your time!**

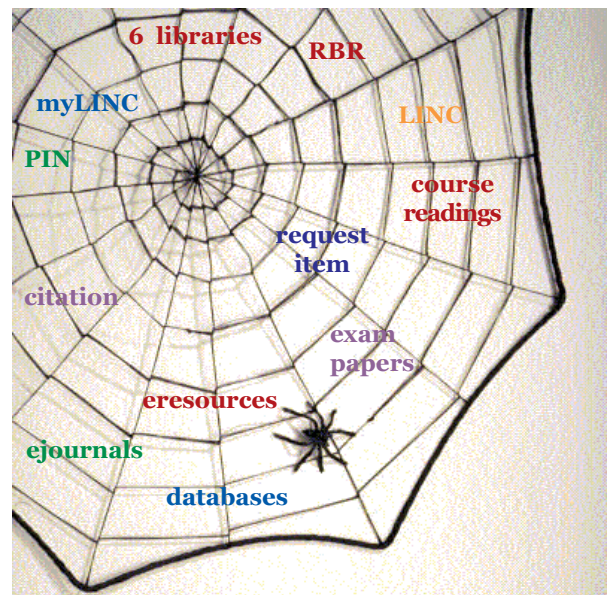

Welcome to NUS Libraries! Get a headstart by attending one of our library orientation sessions and learn from our savvy librarians how to:

- ◆ find your course readings
- ◆ access full text information
- ◆ navigate your way around the library

Check the schedule on page 2 and mark it in your calendar. As a new NUS student, there will be many things unfamiliar to you. We can help you save time by showing you how to use the library effectively and get the information you need quickly.

We look forward to seeing you in the library; exploring, enjoying and making full use of the rich collection of the largest academic library in Singapore.
