

## NUS Libraries. Your ONE Stop.

~for knowledge ~for inspiration ~for life

Welcome to NUS Libraries, the largest academic library in Singapore.

As a student of NUS, you have the privilege to use the Libraries' rich collection of print, multimedia and electronic resources both for your study and interests.

So get a head start by attending one of our library orientation sessions and tours. You will learn from our resourceful librarians how to:

- Find your course readings
- Access remotely full-text information at your convenience
- Navigate your way around the library
- Find information effectively and quickly to save precious time.

Details of the library orientation programmes, i.e. library tours and hands-on demo can be found in this issue of LINUS, the libraries' newsletter. For the hands-on demo, please register for the sessions from the library portal at [www.lib.nus.edu.sg](http://www.lib.nus.edu.sg). We also have a FAQ sheet specially tailored for students which provides you with a quick and easy guide to using our libraries. This information can be easily obtained from all NUS Libraries.

You will discover that the library is more than just books! It is a place for individual study, group discussions, social interaction, expressing your artistic talent and creativity and much more.

Approach our friendly librarians for help at the libraries' Information Desks! ☺
