AYER’S

HAIR

VIGOR

Presents the hair from becoming thin, clad, gray, or white, and preserves its richness, brilliancy, and color to an advanced period of life. It cures itching, dandruff, and keeps the scalp cool, moist, and healthy.

The use of Ayer’s Hair Vigor is refined and delicate fluid which does not become cloudy by exposure to the air, and which is as perfect a substitute for the hair as the supply afforded by nature, in youth and health, as modern chemistry can supply.
