Sarsaparilla

IS THE GREAT
Blood-Purifier,
NERVE TONIC,
AND
STRENGTH-BUILDER.

It attacks and breaks up every humor, cures skin eruptions, restores the teeth, and drives out every evil from the system. Before and after meals, it is beneficial in all cases arising from impure blood, and should be taken as Ayer's Sarsaparilla. It imparts strength to the weak, and fills up the system generally. By its sweet taste it is a most nourishing, appetizing, and life-giving tonic.
