AYER'S SARSAPARILLA IS THE GREAT BLOOD-PURIFIER, NERVE TONIC, AND STRENGTH-BUILDER.

It attacks and breaks up every humoral, circulatory, nerve, and glandular congestion, thereby removing all obstructions to health. It stimulates, strengthens, and invigorates the general system of the body, promoting the circulation of the blood, promoting the function of the organs of digestion, and promoting the excretion of waste products. It is particularly useful in cases of debility, weakness, and fatigue.
