Ayer's Sarsaparilla

Blood-Purifier, Nerve Tonic, Strength-Builder

The World's Great Expositions

Made by Dr. J.C. Ayer & Co., Lowell, Mass., U.S.A.

The name "Sarsaparilla" is derived from the Spanish name, Saracabilla, which means "the root of life," and is a plant of the rhubarb family, native to South America.

Ayer's Sarsaparilla is a valuable blood-purifier, acting as a tonic and nerve-builder.

Dr. J.C. Ayer & Co. have been making this valuable remedy for over 50 years, and it is now known and used throughout the world.

Exhibit Number 200

Locally manufactured in Lowell, Mass.

H. Hewitt & Co.

Agents, New York, Philadelphia, Chicago, San Francisco.
